

Construction Notice

Metro Gold Line Foothill Extension
- Pasadena to Azusa -

- Utility Upgrades on Mountain Ave -

Utility companies continue to perform pre-construction activities for the grade crossing improvements on Mountain Ave, just north of Duarte Rd. This month, the Southern California Gas Company and its subcontractors will begin upgrading the utility line that runs underneath Mountain Ave.

During this work, one lane and the center median on Mountain Ave, just north of Duarte Rd, will be closed. Work will take place Monday through Friday, during the non-peak hours of 8:00 a.m. to 4:00 p.m. beginning on Monday, October 14, 2013 for approximately 4 weeks. Please note that Mountain Ave will remain open to northbound and southbound traffic.

We appreciate your patience during the construction of this project. If you have questions about construction or the project in general, please contact one of the representatives listed below.
