## REQUEST FOR BIDS

### SECTION I – INFORMATION

#### 1. GENERAL

This Request for Bids (“RFB”) is issued by the Metro Gold Line Foothill Extension Construction Authority (the “Authority”) to engage a firm for construction (the “Work”) of the Authority’s Utility Relocation Project (the “Project”), as more specifically described in the Contract Documents included in this RFB.

The RFB consists of the following volumes:

- Volume 1 – this RFB
- Volume 2 – Signature Agreement
- Volume 3 – General Conditions
- Volume 4 – Special Provisions
- Volume 5 – Contract Drawings
- Volume 6 – Master Cooperative Agreements
- Volume 7 – Reference Documents

“RFB” means either Volume 1 or Volumes 1 through 7, depending on the context.

Volumes 2 through 6 constitute the Contract Documents. This RFB and the Reference Documents are not Contract Documents.

Reference Documents are for information only, and are not mandatory or binding on the bidder or Contractor. The Authority does not represent, warrant or guarantee the accuracy or completeness of the Reference Documents or the information contained in the Reference Documents or that such information is in conformity with the requirements of the Contract Documents, Governmental Approvals or Governmental Rules.

#### 2. BID DUE DATE AND LOCATION

Bids shall be delivered in paper and electronic format under a sealed cover. Bids shall be delivered to:

Mitchell S. Purcell, Esq.  
Chief Contracting Officer and In-House Counsel  
Metro Gold Line Foothill Extension Construction Authority  
406 E. Huntington Dr., Suite 202  
Monrovia, CA 91016

Electronic copies of the bids shall be included on a CD, DVD, or flashdrive. Bids are due no later than 11:00 a.m. Pacific time on the bid due date indicated on the cover page of this RFB. It is each submitting firm’s sole responsibility to have its bid delivered to the Authority in paper and electronic formats by the due date and time. Bids submitted after this time will be returned unopened to the submitting bidder.

#### 3. COMMUNICATIONS; QUESTIONS AND ANSWERS

The Authority's Chief Contracting Officer and In-House Counsel, Mitchell S. Purcell, Esq. or his designee, will be the sole contact for the prospective bidders during the procurement process. He will coordinate all managerial, administrative, and technical processes and decisions. Mr. Purcell is located at Metro Gold Line Foothill Extension Construction Authority, 406 E. Huntington Drive, Suite 202, Monrovia, CA 91016. His telephone number is (626) 471-9050. His e-mail address is [mpurcell@foothillextension.org](mailto:mpurcell@foothillextension.org).

During the procurement period commencing June 1, 2017, and continuing until execution of a contract under this RFB (the "Contract") or cancellation of this procurement, no employee, member or agent of any firm shall have any *ex parte* communications regarding the Project with any member of the Authority's board members or staff, its advisors or any of its contractors or consultants involved with the procurement, except for communications expressly permitted by this RFB. Any firm engaging in such prohibited communications may be disqualified at the sole discretion of the Authority. The foregoing shall not preclude any firm from participating in public meetings of the governing board of the Authority.

Questions regarding this RFB, including any draft information issued, must be submitted in writing no later than 11:00 a.m. Pacific time on the date set forth on the cover page to this RFB. Questions must be submitted by email to the Authority's Chief Contracting Officer and In-House Counsel.

The Authority reserves the right to issue no response to any or all questions and to consolidate or rephrase questions in its discretion. Responses, if any, shall be provided on the Authority's website at [www.foothillgoldline.org](http://www.foothillgoldline.org) by close of business on or before the date set forth on the cover page of this RFB and shall not indicate the identity of the questioning bidder. Interpretations, corrections or revisions will be made only by issuing the final RFB or, after issuing the final RFB, by issuing addenda to the RFB posted on the Authority's website at [www.foothillgoldline.org](http://www.foothillgoldline.org). The Authority is not bound by any oral statements made, nor is it bound by any written information which is obtained other than through this RFB or its addenda. No employee of the Authority is authorized to interpret any portion of this RFB or give information as to the requirements of this RFB in addition to that contained in or amended to this RFB.

#### **4. EXAMINATION OF RFB AND JOB SITE**

By submitting a bid, the bidder represents that (a) it has thoroughly examined and has become familiar with the contents of this RFB and the job site, and (b) it is capable of providing quality work within the required timeframe. The bidder is responsible for requesting clarification of any deficiency, ambiguity, error or omission contained in this RFB, or of any provision in this RFB which the bidder fails to understand.

#### **5. PRE-CONTRACT EXPENSES**

Authority shall in no event be liable for any expenses incurred by the bidder in the preparation of its bid.

#### **6. BID SECURITY AND PAYMENT AND PERFORMANCE BONDS**

##### **a. Bid Bond**

Bid security is required in the amount of 10% of the Total Amount (Box 1C) of Exhibit 1, Form I. Security may be in the form of a certified check or cashier's check payable to Authority or a Bid Bond in the form included in RFB Exhibit 1, Form C.

If the successful bidder fails to execute the Contract and provide bonds, evidence of insurance and other documents as required by this RFB, such bidder's security shall be forfeited to Authority except as provided in Section I, Paragraph 11(g).

Authority shall retain each bidder's security until the Contract has been fully executed and delivered or the RFB has been canceled. Unless the bidder's security has previously been called upon, upon full execution and delivery of the Contract or RFB cancellation: (i) the Bid Bond will automatically be deemed of no further force and effect, and (ii) Authority will return the security (other than Bid Bond) provided by the unsuccessful bidders.

b. Payment and Performance Bonds

Concurrently with delivery of the executed Contract to Authority, the successful bidder shall furnish the following two bonds, each in the amount of 100% of the Total Amount (Box 1C) of Form I, issued by a surety meeting the requirements of Code of Civil Procedure § 995.660 (an "Eligible Surety"):

- 1) Payment bond in the form attached as Exhibit B to the Signature Agreement;
- 2) Performance bond in the form attached as Exhibit A to the Signature Agreement.

## 7. JOINT VENTURES

Where two or more firms desire to submit a single bid in response to this RFB, they shall do so on a prime-subcontractor basis rather than as a joint venture. Authority intends to contract with a single firm and not with multiple firms doing business as a joint venture.

## 8. SBE GOAL

The Authority has adopted a Small Business Enterprise (SBE) program, a copy of which is appended to this RFB as Exhibit 3. The SBE goal for the Contract is 16.6%. In order for a bid to be considered responsive, the bidder must provide evidence either that it has met or exceeded the goal with identified SBE Subcontractors or that it has undertaken a good faith effort to meet or exceed the goal. Only firms meeting the qualification requirements for SBEs in Exhibit 3 will be counted towards meeting the goal.

If evidence of good faith efforts is required, the necessary information and supporting documents must be provided to the address specified in Section I, Paragraph 2 within two business days after the bid due date. As evidence of good faith efforts, the Authority recommends the following information and supporting documents:

1. Items of work made available to SBE firms. Identify the items of work normally performed by the Contractor work force and items that have been broken down into economically feasible units to facilitate SBE participation. For each item listed, show the dollar value and percentage of the total contract.
2. Dates of written notices sent to certified SBEs soliciting bids and the dates and methods used for following up initial solicitations to determine with certainty whether the SBEs were interested, including phone calls, email, and faxes.
3. Name and date of each publication in which SBE participation was requested. Attach copies of the published advertisements.
4. Names of agencies and dates on which the agencies were contacted to provide assistance in contacting, recruiting, and using SBE firms. If the agencies were contacted in writing, provide copies of supporting documents.
5. List of efforts made to provide interested SBEs with adequate information about the plans, specifications, and requirements of the contract to assist them in responding to the solicitation. If information was provided, identify the SBE assisted, the nature of the information provided, the date of contact and include copies of relevant supporting documents.
6. List of efforts made to assist interested SBEs in obtaining bonding, lines of credit, insurance, necessary equipment, supplies, and materials, excluding supplies and equipment that the SBE subcontractor purchases or leases from the prime Contractor or its affiliate. Identify the SBE assisted, the nature of the assistance offered, and the dates of contact. Include copies of supporting documents as appropriate.
7. Name of each selected firm and its status as a SBE for each item of work, and the name, address, telephone number, and price quote of each SBE that provided a quote, even if not selected. If the firm selected for the item is not a SBE, provide the reasons for the selection.
8. Any additional data to support demonstration of good faith efforts.

## **9. PRE-BID MEETING**

Authority conducted a pre-bid meeting on May 31, 2017. A list of attendees can be obtained by contacting the Authority's document control department at (626) 305-7028.

Attendance at the pre-bid meeting is not mandatory and will not be taken into consideration in evaluating bids.

The successful bidder is required to report each small business hired to work on the Contract as a result of the pre-bid meeting.

## **10. PREPARATION OF BIDS**

Bids shall be prepared as specified in Section II. The bidder shall complete all required information and forms. Failure to do so may render the bid incomplete and non-responsive and may cause its rejection. Liquid or dry correction materials shall not be used.

As-built drawings provided by Authority may not show existing dimensions and conditions. Where new construction dimensions are dependent on existing bridge dimensions, verify the field dimensions and adjust the dimensions of the work to fit the existing conditions.

## 11. BID REVIEW/EVALUATION/AWARD

- a. **Initial Review.** The Authority will review all timely submitted bids to determine if they are complete. All bids must contain all required documentation. The Authority may reject any bid which is found to be conditional, incomplete, or contains irregularities.
- b. **Mistakes in Bids.** After the opening of bids, the Authority will examine all bids for mistakes. In cases of apparent mistakes and in cases where the Authority has reason to believe that a mistake may have been made, the Authority shall request from the bidder a verification of the bid calling attention to the suspected mistake. If the bidder alleges a mistake before or after award, the matter shall be processed generally in accordance with Public Contract Code Sections 5100 to 5107 inclusive concerning relief of bidders.
- c. **Responsiveness and Responsibility Review.** In accordance with this RFB and the Authority's Administrative Code, the Authority will conduct a review with respect to the bidder that submitted the lowest bid, to determine whether it is a responsible bidder and whether the bid is responsive (that is, whether the bid includes all required documentation, the bidder has either met the SBE goal or provided satisfactory evidence that it made good faith efforts to meet the SBE goal, and the bidder and its proposed key personnel meet the minimum requirements of this RFB). The Authority may consider a bidder's past failure to submit documents required after bid opening in determining a bidder's responsibility. If the lowest bidder is deemed non-responsive or its bid is found non-responsive, the Authority will notify the bidder of such determination and will proceed with a responsiveness/responsibility review for the next lowest bidder. Within three business days after receipt of notification of non-responsiveness or non-responsibility, the bidder may submit a request for administrative reconsideration to the Authority's Chief Contracting Officer and In-House Counsel in accordance with Section I, Paragraph 3. In considering requests for reconsideration, the Authority will follow the same process that applies to protests of award. If the bidder fails to request reconsideration within the time specified, or if the Authority confirms its original determination upon reconsideration, the bidder will no longer be considered the low bidder and the review and award process under this RFB will continue with the next lowest bidder.
- d. **Completion of Bid Review.** The bid review period will close upon the Authority's completion of its review of the bid documents and other relevant information. Notice of the close of the bid review period may or may not be given to bidders by the Authority.
- e. **Notice of Intent to Award.** If the Authority elects to proceed, at least seven days prior to award of the Contract the Authority will post a Notice of Intent to Award (NOIA) to the responsible bidder that has submitted the lowest responsive bid.
- f. **Award.** The Contract, if awarded, will be awarded to the responsible bidder submitting the lowest responsive bid.

- g. **Failure of Successful Bidder to Execute the Contract.** The Authority's Board may, on refusal or failure of the successful bidder to execute the Contract, award it to the next lowest responsible bidder. In such case, if the Board awards the Contract to the next lowest bidder, the amount of the defaulting bidder's security shall be applied by the Authority to the difference between the low bid and the second lowest bid, and the surplus, if any, shall be returned to the surety on the lowest bidder's Bid Bond (or to the low bidder if another form of security was provided).

## 12. ADDITIONAL INFORMATION

The Authority may at any time request additional information or clarification from a bidder or may request a bidder to verify or certify certain aspects of its bid.

## 13. ADDENDA

The Authority may, from time to time, amend this RFB by issuing written addenda on its website at [www.foothillgoldline.org](http://www.foothillgoldline.org). Bidders shall comply with the terms, conditions and procedures set forth in the final version of the RFB and any subsequent addenda.

## 14. WITHDRAWAL OF BIDS

The bidder may withdraw its bid before the due date by submitting a written and signed request to the Authority's Chief Contracting Officer and In-House Counsel transmitted by both mail and email.

## 15. LICENSES AND PERMITS

To be considered for the Project, the bidder and any firms participating as subcontractors must have all necessary licenses, registration, and credentials required to perform the Work in the State of California, and must be eligible to bid on public works projects (see Pub. Cont. Code § 6109). Upon request by the Authority, prior to contract award, the bidder shall submit copies of the licenses and any permits required to perform the Work.

The Project requires a State of California Class A – General Engineering Contractor's License.

## 16. PERIOD FOR AWARD OF CONTRACT

The Authority may award a contract for any accepted bid up to 120 days after the bid due date.

## 17. INSURANCE

Concurrently with delivery of the executed Contract, the successful bidder shall provide evidence satisfactory to Authority that policies providing such coverages and limits of insurance as indicated in Volume 3, General Conditions, Section 6.18 are in full force or will be obtained by the bidder prior to issuance of the Notice to Proceed. For purposes of Contract delivery, satisfactory evidence may be demonstrated by a Certificate of Insurance ACORD Form 27 or letter, as approved by Authority, issued by the bidder's insurance agent or broker.

The following must be provided as a condition to issuance of the Notice to Proceed:

- 1) A copy of its commercial general liability policy and its excess policy, including the declarations page, applicable endorsements, riders, and other modifications in effect at the time of contract execution. Standard ISO form no. CG 00 01 or similar exclusions are allowed if not inconsistent with the insurance requirements set forth in this RFB and in the Contract. The allowance of additional exclusions is at the discretion of the Authority. If a copy of the policy is not available prior to Notice to Proceed, Authority may accept a binder for purposes of issuance of Notice to Proceed, with the policy to be delivered at a later date acceptable to Authority.
- 2) Certificate of insurance showing all other required coverages. Certificates of insurance, as evidence of required insurance for the auto liability and any other required policy, must set forth deductible amounts applicable to each policy and all exclusions that are added by endorsement to each policy. The evidence of insurance must provide that no cancellation, lapse, or reduction of coverage will occur without 10 days prior written notice to the Authority.
- 3) If the successful bidder uses any form of self-insurance for workers compensation in lieu of an insurance policy, the bidder must submit a certificate of consent to self-insure under Labor Code § 3700. If any policy includes a self-insured retention of \$50,000 or more, a declaration under the penalty of perjury by a certified public accountant certifying the accountant has applied GAAP guidelines confirming the successful bidder has enough funds and resources to cover the self-insured retention.

## **18. EXECUTION OF CONTRACT**

The bidder to whom an award is made shall execute (as required) and deliver the following documents within ten days after receipt of the conformed Contract Documents from the Authority:

1. Two originals of the Contract;
2. The payment and performance bonds described in this RFB, issued by an Eligible Surety;
3. Evidence of insurance as described in Section I, Paragraph 17;
4. Evidence of authorization to transact business in the State of California for the bidder and each subcontractor;
5. A copy of the bidder's executed organizational documents and, if the bidder is a limited liability company or partnership, executed organizational documents for each member or partner of the bidder;
6. Evidence that the persons executing the Contract are duly authorized and empowered to do so;
7. Evidence that bidder and its subcontractors hold all licenses required to perform the Work; and
8. Any other requirements reasonably determined by Authority prior to Contract execution.

## **19. AUTHORITY RIGHTS REGARDING RFB**

The Authority reserves the right to:

- Disqualify any bidder in accordance with the instructions herein;
- Reject any and all bids, at its discretion, including bids found to be conditional or incomplete, containing irregularities or not responsive to this RFB;
- Investigate the qualifications of any bidder under consideration;
- Require confirmation of information furnished by the bidder;
- Require additional evidence of ability to perform the Work;
- Postpone, amend or cancel the entire RFB or a portion thereof;
- Postpone the bid opening or award for its own convenience;
- Award a contract to other than the apparent low bidder if such apparent low bidder is found to be not responsible or its bid is found to be non-responsive;
- Award a contract in part or in combination of items;
- Issue subsequent requests for bids relating to the subject matter of this RFB or any part of it;
- Seek the assistance of outside technical, legal or commercial experts to review the bids;
- Disqualify a bid upon evidence of collusion, with intent to defraud, or other illegal practices on the part of the bidder;
- Waive any errors or informalities in any bid to the extent permitted by law;
- Require bidder to provide proof as to the equality, substitutability, and compatibility of any items proposed as alternates or equals;
- Determine, at the Authority's sole discretion, the equality, substitutability, and compatibility of any items proposed as alternates or equals; and
- Not issue a Notice to Proceed after execution of the Contract.

Subject to the Authority's right not to proceed with any RFB, the Authority has no obligation to consider any bid unless it is responsive to this RFB. This RFB does not commit the Authority to enter into a Contract.

## **20. PROTESTS REGARDING AWARD**

Protests regarding any award of the Contract shall be decided in accordance with Title III, Chapter 2, Section 10 of the Authority's Administrative Code, relevant excerpts from which are attached hereto as Exhibit 2.

## **21. PUBLIC RECORDS ACT**

Responses to this RFB become the exclusive property of the Authority. All bids submitted in response to this RFB become a matter of public record and shall be regarded as public records subject to the provisions of the California Public Records Act (Government Code sections 6250 et seq.). Authority's use and disclosure of its records are governed by this Act.

## **22. PUBLIC WORKS CONTRACTS AND NON-DISCRIMINATION**

All labor performed under the Contract shall conform to the laws of the State of California, as more specifically set forth in the Labor Code. This is a prevailing wage project. No bid may be

submitted by a firm that is ineligible to perform work on public works projects pursuant to § 1777.1 or 1777.7 of the Labor Code.

Bidder has an obligation to review Prevailing Rate of Per Diem Wages. Rates may be obtained directly from the Department of Industrial Relations (“DIR”) website at <http://www.dir.ca.gov>. It is the bidder's responsibility to use the correct classification determination published by the DIR.

In addition to Labor Code requirements, the bidder must comply with nondiscrimination and compliance requirements (2 CCR § 8201 and Government Code 12955 (a) or (d)).

## **23. DISCLOSURE OF CONTRIBUTIONS AND PROHIBITED ACTS**

Bidders are advised that Government Code 84308(d) provides as follows:

No party, or his or her agent, to a proceeding involving a license, permit, or other entitlement for use pending before any agency and no participant, or his or her agent, in the proceeding shall make a contribution of more than two hundred fifty dollars (\$250) to any officer of that agency during the proceeding and for three months following the date a final decision is rendered by the agency in the proceeding. When a closed corporation is a party to, or a participant in, a proceeding involving a license, permit, or other entitlement for use pending before an agency, the majority shareholder is subject to the disclosure and prohibition requirements specified in subdivisions (b), (c), and this subdivision.

Refer to <http://codes.findlaw.com/ca/government-code/gov-sect-84308.html> for the full text of Section 84308, including definitions of terms used in Section 84308(d).

All bidders are responsible for determining whether disclosure is required. The bidder shall complete Form F included in Exhibit 1 and submit same with its bid. See Section II, Paragraph 11. The completed Form F shall identify all Authority officers (i.e., Board members and alternates) who received contributions subject to Section 84308(d), or affirm that no contributions were made that require disclosure. Form F shall name the contributor and amount and date of each contribution. The bidder must submit forms for any persons who are considered “parties” and “participants” under Section 84308 (use extra forms as required). The bidder is responsible for delivering an updated form(s) to the Chief Contracting Officer and In-House Counsel prior to any proceeding of the Board or committees of the Board concerning the Contract.

Each bidder shall also submit Form G included in Exhibit 1 to this RFB certifying that it has not committed or caused a violation of Government Code Section 1090 or Section 84308 in connection with the bid, and is not aware of any violation of such statutes by any person.

**AFFIDAVIT REGARDING CERTAIN PROHIBITED ACTS**

STATE OF \_\_\_\_\_ )  
 )  
COUNTY OF \_\_\_\_\_ )

Each of the undersigned, being first duly sworn, deposes and says that:

A. \_\_\_\_\_ is the \_\_\_\_\_ of \_\_\_\_\_ and \_\_\_\_\_ is the \_\_\_\_\_ of \_\_\_\_\_, which entity(ies) are the \_\_\_\_\_ of \_\_\_\_\_, the entity making the foregoing bid; and

B. The undersigned has not committed or caused a violation of Government Code Section 1090 or Section 84308 in connection with the bid, and is not aware of any violation of such statutes by any person.

**Section 1090. Contracts, sales, and purchases made in official capacity.** Members of the Legislature, state, county, district, judicial district, and city officers or employees shall not be financially interested in any contract made by them in their official capacity, or by any body or board of which they are members. Nor shall state, county, district, judicial district, and city officers or employees be purchasers at any sale or vendors at any purchase made by them in their official capacity.

As used in this article, "district" means any Authority of the state formed pursuant to general law or special act, for the local performance of governmental or proprietary functions within limited boundaries.

**Section 84308. Contributions to officers of agencies; Required disclosure.**

(a) The definitions set forth in this subdivision shall govern the interpretation of this section.

(1) "Party" means any person who files an application for, or is the subject of, a proceeding involving a license permit, or other entitlement for use.

(2) "Participant" means any person who is not a party but who actively supports or opposes a particular decision in a proceeding involving a license, permit, or other entitlement for use and who has a financial interest in the decision, as described in Article 1 (commencing with Section 87100) of Chapter 7. A person actively supports or opposes a particular decision in a proceeding if he or she lobbies in person the officers or employees of the Authority, testifies in person before the Authority, or otherwise acts to influence officers of the Authority.

(3) "Authority" means an Authority as defined in Section 82003 except that it does not include the courts or any Authority in the judicial branch of government, local governmental agencies whose members are directly elected by the voters, the Legislature, the Board of Equalization, or constitutional officers. However, this section applies to any person who is

a member of an exempted Authority but is acting as a voting member of another Authority.

(4) "Officer" means any elected or appointed officer of an Authority, any alternate to an elected or appointed officer of an Authority, and any candidate for elective office in an Authority.

(5) "License, permit, or other entitlement for use" means all business, professional, trade and land use licenses and permits and all other entitlements for use, including all entitlements for land use, all contracts (other than competitively bid, labor, or personal employment contracts), and all franchises.

(6) "Contribution" includes contributions to candidates and committees in federal, state, or local elections.

(b) No officer of an Authority shall accept, solicit, or direct a contribution of more than two hundred fifty dollars (\$250) from any party, or his or her agent, or from any participant, or his or her agent, while a proceeding involving a license, permit, or other entitlement for use is pending before the Authority and for three months following the date a final decision is rendered in the proceeding if the officer knows or has reason to know that the participant has a financial interest, as that term is used in Article 1 (commencing with Section 87100) of Chapter 7. This prohibition shall apply regardless of whether the officer accepts, solicits, or directs the contribution for himself or herself, or on behalf of any other officer, or on behalf of any candidate for office or on behalf of any committee.

(c) Prior to rendering any decision in a proceeding involving a license, permit or other entitlement for use pending before an Authority, each officer of the Authority who received a contribution within the preceding 12 months in an amount of more than two hundred fifty dollars (\$250) from a party or from any participant shall disclose that fact on the record of the proceeding. No officer of any Authority shall make, participate in making, or in any way attempt to use his or her official position to influence the decision in a proceeding involving a license, permit, or other entitlement for use pending before the Authority if the officer has willfully or knowingly received a contribution in an amount of more than two hundred fifty dollars (\$250) within the preceding 12 months from a party of his or her agent, or from any participant, or his or her agent if the officer knows or has reason to know that the participant has a financial interest in the decision, as that term is described with respect to public officials in Article 1 (commencing with Section 87100) of Chapter 7.

If an officer receives a contribution which would otherwise require disqualification under this section, returns the contribution within 30 days from the time he or she knows, or should have known, about the contribution and the proceeding involving a license, permit, or other entitlement for use, he or she shall be permitted to participate in the proceeding.

(d) A party to a proceeding before an Authority involving a license, permit, or other entitlement for use shall disclose on the record of the proceeding any contribution in an amount of more than two hundred fifty dollars (\$250) made within the preceding 12 months by the party, or his or her agent, to any officer of the Authority. No party, or his or her agent, to a proceeding involving a license, permit, or other entitlement for use

pending before any Authority and no participant, or his or her agent, in the proceeding shall make a contribution of more than two hundred fifty dollars (\$250) to any officer of that Authority during the proceeding and for three months following the date a final decision is rendered by the Authority in the proceeding. When a closed corporation is a party to, or a participant in, a proceeding involving a license, permit, or other entitlement for use pending before an Authority, the majority shareholder is subject to the disclosure and prohibition requirements specified in subdivisions (b), (c), and this subdivision.

(e) Nothing in this section shall be construed to imply that any contribution subject to being reported under this title shall not be so reported.
