

Metro Gold Line Foothill Extension

June 2012 Update

Attend an Upcoming Community Open House

Construction of the 11.5-mile Foothill Extension light rail project from Pasadena to Azusa will begin in earnest later this year. Attend an upcoming community open house to view the latest designs, learn about the construction schedule and meet the six station artists. Staff from the Construction Authority and the design-build team (Foothill Transit Constructors, a Kiewit Parsons Joint Venture) will also be available to answer questions about construction and how it may affect you.

Attend any of the three events and arrive any time. All events will have the same information. No formal presentation is planned.

Wednesday, June 20, 2012

Memorial Park (North) Gymnasium
320 N. Orange Place, Azusa
5:30–7:30 p.m.

Tuesday, June 26, 2012
