

This aerial map illustrates the proposed Gold Line Station at College Park. The station platform is highlighted in yellow, running horizontally across the center. To the north of the platform is a large blue-shaded area designated as the 'STATION PARKING LOCATION (TO BE SHARED BETWEEN GOLD LINE & METROLINK)' with 539 spaces. A green line indicates the 'Pedestrian Path to Station', starting from the west side near Harvard Ave and 1st St, crossing College Ave, and continuing east through the parking lot to the station entrance. The map shows the intersection of College Ave, 1st St, and 2nd St. Key landmarks include City Hall, Post Office, Claremont Village, Claremont Colleges, and College Park. The map also shows the 'Relocated Metrolink Station' to the south of the Gold Line platform. A legend in the bottom left corner defines the symbols used: a green line for the Pedestrian Path to Station, a yellow circle for Metro Station Entrance, a blue circle for Metrolink Station Entrance, an orange circle for Bike Parking, and a red circle for Bus Stop. Arrows indicate the directions of traffic on Bonita Ave, Arrow Hwy, Indian Hill Blvd, and Claremont Blvd.
