CONSTRUCTION ACTIVITY
As part of construction for the 9.1-mile, four-station Foothill Gold Line light rail project from Glendora to Pomona, crews will continue reconstructing the Gladstone Street railroad crossing thru November 15 (the extension of the closure is a result of a local and statewide cement shortage). This extended work also requires the continued closure of the most westerly driveway of the Gladstone Business Park for two additional weeks.

WHEN
Underway and continuing thru Sunday, November 15th, the driveway will be completely closed 24 hours a day to all vehicular and pedestrian access. Work will be performed from 6:00 AM - 10:00 PM, Monday - Saturday.

WHERE
Construction activities will take place within the most westerly driveway. The driveway will be completely closed for the duration listed above. The eastern driveway will remain open to all traffic throughout closure.

WHAT TO EXPECT
Noise from construction equipment will be produced near the active work zones. Watering equipment will be utilized for dust control where needed.

STAY SAFE
Please obey all posted construction signs and do not enter the construction work zone.

STAY AHEAD
To stay ahead of construction, sign up for alerts at: www.foothillgoldline.org
