CONSTRUCTION ACTIVITY
As part of construction for the 9.1-mile, four-station Foothill Gold Line light rail project from Glendora to Pomona, crews will be removing all vegetation along the railroad corridor, including trees near your property. All trees being removed within the railroad corridor have been identified for their species and size and will be replaced within the City as required by the Project’s Tree Replacement Plan.

WHEN
Ongoing from Monday, October 26th, and continuing daily thru Friday, November 20th, tree removal activities will be performed within the corridor during day shift hours Monday - Saturday, from 7:00 AM – 5:30 PM.

WHERE
Construction activities will take place throughout the railroad corridor from Route 66 to the San Dimas Wash, west of Lone Hill Ave.

WHAT TO EXPECT
Noise from construction and landscaping equipment will be produced near the active work zones. Watering equipment will be utilized for dust control where needed.

STAY SAFE
Please obey all posted construction signs and do not enter the construction work zone.
