

February 20 - 24, 2012

Construction Notice

METRO GOLD LINE FOOTHILL EXTENSION

Soil Investigation Along the Railroad

Attention residents, businesses, and organizations in the vicinity of the existing railroad tracks in Arcadia, CA.

Construction crews will be investigating soil conditions as part of pre-construction activities for the 11.5-mile Metro Gold Line light rail extension project.

WHAT

Soil samples will be taken using a small truck-mounted drill rig. Lane closures are not required to accomplish this work.

WHEN

This operation is scheduled to begin Monday, February 20 and will be completed by Friday, February 24. Anticipated work hours will be from 7:00 am to 5:00 pm.

WHERE

Crews will be working in one of four locations by the railroad tracks in the City of Arcadia:

- Near the intersection of Indiana Street and Wheeler Avenue
- Near the intersection of 2nd Avenue and Huntington Drive
- Bonita Park
- Newcastle Park

WHAT TO EXPECT

- Access will be maintained for local residences and businesses.
- At times, heavy equipment noises will occur.
