

Street Closure Notice

Metro Gold Line Foothill Extension
- Pasadena to Azusa -

FULL NIGHTTIME CLOSURES ON SANTA ANITA AVENUE - OCTOBER 30, 2013 **- RAILROAD BRIDGE CONSTRUCTION -**

WHAT

Although occasional short-term lane closures may be needed in the future, the final major construction activities on Santa Anita Ave in Arcadia are approaching, as part of the 11.5-mile Metro Gold Line Foothill Extension project. This week crews will reconfigure the traffic lanes on Santa Anita Ave and a full nighttime closure of the road is needed to accomplish this work.

WHEN

- 10:00 p.m. on Wednesday, October 30, 2013 until 6:00 a.m. the following morning: Santa Anita Ave will be closed to thru-traffic between Colorado Blvd and Santa Clara St to reconfigure the traffic lanes. During the closure, traffic will be detoured and signage will be posted to direct motorists. Following the full closure, two lanes of traffic will re-open in each direction.
- December 2013: The installation of the bridge deck beams will be performed during the month of December 2013. Additional full closures of Santa Anita Ave at the railroad bridge will be needed for this operation.

TRAFFIC ADVISORIES

- Motorists are advised to **expect delays and use alternate routes when possible.**
