

I-210 BRIDGE BI-WEEKLY CONSTRUCTION NOTICE FEBRUARY 19 - MARCH 3, 2012

WHAT: Construction activity on the center median and southern shoulder of the eastbound I-210 Freeway will require partial and full eastbound lane closures.

WHEN: Up to eleven nights of full eastbound lane closures are anticipated for this bi-weekly period. Full eastbound lane closures will occur between Midnight and 5 a.m. Additionally, occasional lane closures of up to three eastbound lanes will take place during this period. Closures will start no earlier than 10 p.m. and end by 1 p.m. the following day.

WHERE: Eastbound lanes of the I-210 Freeway, between Rosemead Blvd. and Santa Anita Ave.

WHAT TO EXPECT: During the next two weeks, crews will continue installation of the bridge falsework, the temporary structure that will create a safe work space for crews to construct the bridge superstructure.

The falsework installation and associated full eastbound lane closure activity is anticipated to be completed during the first full week of March, 2012.

Construction schedules are subject to change for various reasons including but not limited to weather conditions and unforeseen delays. Please note that other construction projects are also affecting the Arcadia stretch of the I-210 Freeway. To learn more about upcoming ramp and lane closures from these projects, be sure to visit the websites listed below.
