

I-210 BRIDGE BI-WEEKLY CONSTRUCTION NOTICE JUNE 10 - 23, 2012

WHAT: Construction activity will require partial and full closures.

WHEN: One full closure of the eastbound I-210 Freeway is scheduled for this bi-weekly period. The full eastbound closure is scheduled to start on Monday, June 18, 2012 at 11:00 p.m. and will continue through to 5 a.m. the following morning. Partial lane closures will occur prior to and following this full eastbound closure. Additionally, occasional lane closures of up to three eastbound lanes may take place during this bi-weekly period. Partial lane closures will start no earlier than 10 p.m. and end by 1 p.m. the following day.

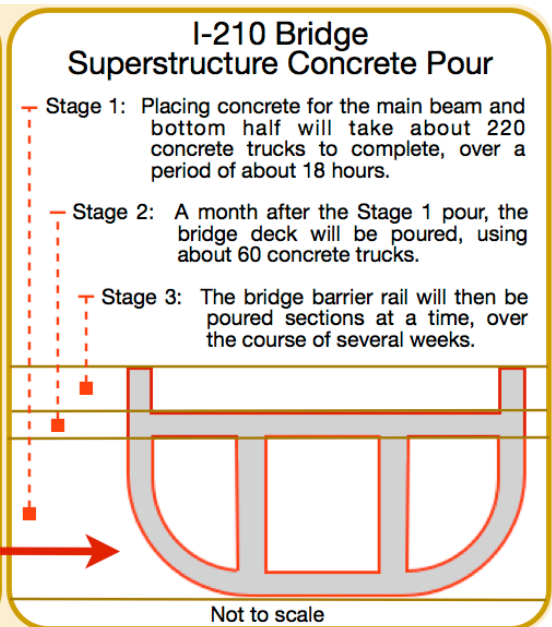

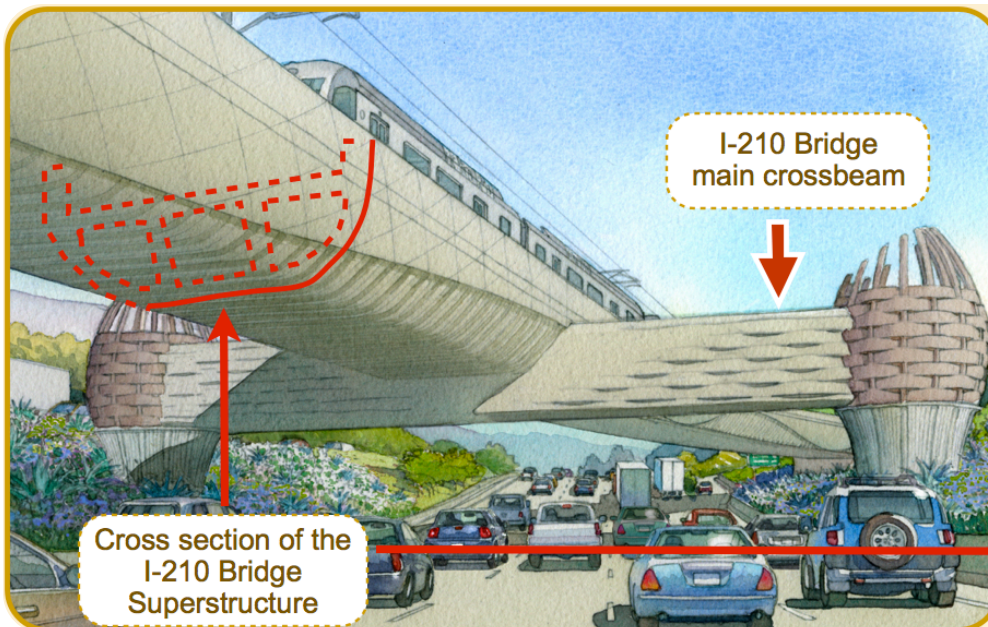

WHERE: Eastbound lanes of the I-210 Freeway, between Rosemead Blvd. and Santa Anita Ave.

WHAT TO EXPECT: During the next two weeks, crews will complete installation of the interior forms and reinforcing steel for the superstructure. On the evening of June 18, 2012, crews will begin pouring the concrete for the bridge main crossbeam and the lower portion of the bridge superstructure (identified as stage 1 in the below graphic). This effort will continue through the following afternoon and end at approximately 3:00 p.m.

Note 1: Newcastle Park in Arcadia will be closed to the public on Tuesday, June 19, 2012.

Note 2: Related construction activity will require 24 hour closure of Colorado Blvd., between San Antonio Rd. and Santa Anita Ave. beginning Monday, June 11, 2012 through Friday, June 15, 2012. For information on the Colorado Blvd. closure, please contact Dan Kulka, Community Relations Manager for Kiewit Parsons Joint Venture, at 626-324-7098.

Construction schedules are subject to change for various reasons including but not limited to weather conditions and unforeseen delays. Please note that other construction projects are also affecting the Arcadia stretch of the I-210 Freeway. To learn more about upcoming ramp and lane closures from these projects, be sure to visit the websites listed below.
