

# I-210 BRIDGE BI-WEEKLY CONSTRUCTION NOTICE AUGUST 19 - SEPTEMBER 1, 2012

**WHAT:** Construction activity will require full closure of the eastbound and westbound I-210 Freeway.

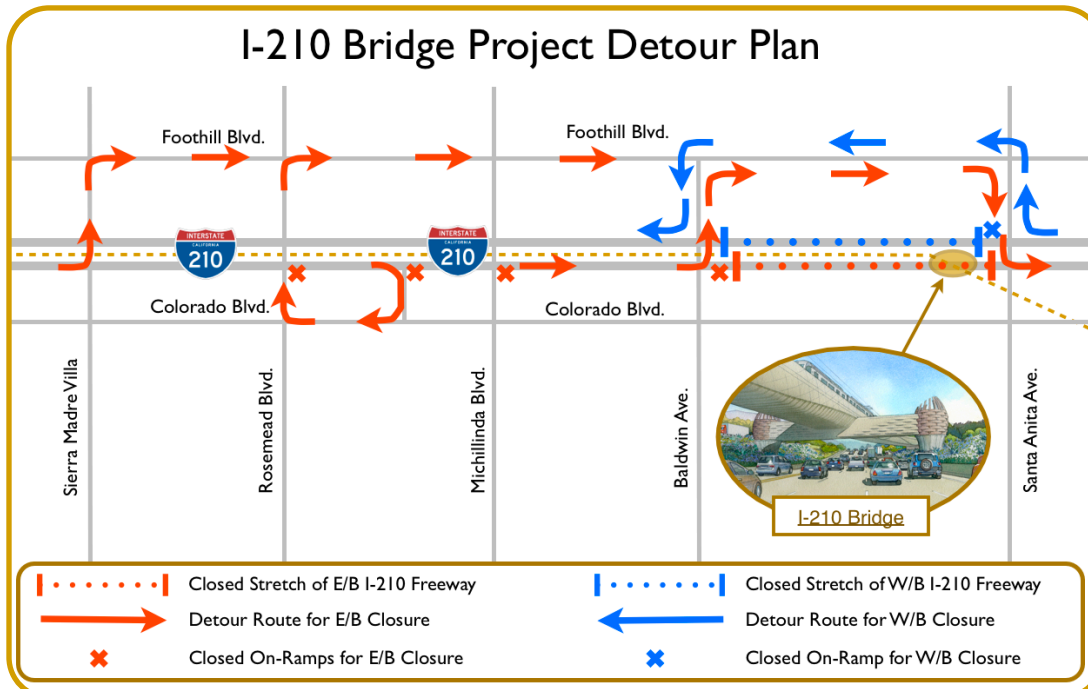

**WHEN:** Full closures of the eastbound and westbound lanes of the I-210 Freeway are scheduled for this bi-weekly period as follows:

- Full closure of the I-210 Freeway in both directions is scheduled to occur on Tuesday, August 28 and Wednesday, August 29, 2012. On these nights, the full freeway closure will begin at 11:00 p.m. and will continue through to 5:00 a.m. the following morning.
- Full closure of the eastbound I-210 Freeway is scheduled to occur on Thursday, August 30, 2012, between Midnight at 5:00 a.m. Westbound lanes will remain open.

**WHERE:** Eastbound lanes of the I-210 Freeway, between Rosemead Blvd. and Santa Anita Ave.  
Westbound lanes of the I-210 Freeway, between Santa Anita Ave. and Baldwin Ave.

**WHAT TO EXPECT:** During the next two weeks, crews will begin the process of removing the bridge falsework (the temporary support structure supporting the bridge superstructure and main crossbeam while under construction). Additionally, Southern California Edison crews will relocate power lines that traverse both directions of the I-210 Freeway.

The falsework removal will take up to six weeks to complete and will require up to 20 full eastbound lane closures. Three full eastbound lane closures and two full westbound lane closures of the I-210 Freeway are scheduled for this bi-weekly period.

**NOTE:** Construction schedules are subject to change for various reasons including but not limited to weather conditions and unforeseen delays. Please note that other construction projects are also affecting the Arcadia stretch of the I-210 Freeway. To learn more about upcoming ramp and lane closures from these projects, be sure to visit the websites listed below.
