

I-210 BRIDGE BI-WEEKLY CONSTRUCTION NOTICE SEPTEMBER 2 - 15, 2012

WHAT: Construction activities will require full closures of the eastbound I-210 Freeway.

WHEN: Up to eight nights of full eastbound closures are anticipated for this bi-weekly period as follows:

- Nightly beginning late Tuesday, September 4, 2012, and including Wednesday and Thursday nights.
- Nightly beginning late Sunday, September 9, 2012, and including Monday, Tuesday, Wednesday and Thursday nights.

On-ramps start closing at 9:00 p.m. each night, with up to 3 lanes closing at 10:00 p.m. Full closures begin at Midnight and all lanes will reopen by 5:00 a.m.

WHERE: Eastbound lanes of the I-210 Freeway, between Baldwin and Santa Anita Aves. Westbound lanes of the I-210 Freeway will remain open.

WHAT TO EXPECT: During the next two weeks, crews will begin the process of removing the bridge falsework (the temporary support structure supporting the bridge superstructure and main crossbeam while under construction). **The falsework removal will take up to six weeks to complete and will require up to 20 full eastbound closures of the I-210 Freeway between Baldwin and Santa Anita Aves. Eight full eastbound closures of the I-210 Freeway are scheduled for this bi-weekly period.**

NOTE: Construction schedules are subject to change for various reasons including but not limited to weather conditions and unforeseen delays. Please note that other construction projects are also affecting the Arcadia stretch of the I-210 Freeway. To learn more about upcoming ramp and lane closures from these projects, be sure to visit the websites listed below.

falsework to be removed
