9. General Board Items  
a. Adoption of Phase 2B Estimated Project Cost of $1,181 million

Mr. Balian presented the item. Mr. Balian indicated that in November 2013, the Board approved the Foothill Extension Financial Plan Revision 10 of $1,719,000 which included a Phase 2 Estimated Project cost of $950 million. Mr. Balian indicated that at this time, based upon the required Metro Contingency Procedures of an additional $130 million and required Metro Project costs of $80 million; and $21 million in inflationary costs from 2010, the overall Phase 2B estimated project costs increases $231 million from $950 million to $1,181 million. Mr. Burner indicated that a detailed cost estimate was prepared and provided to Metro and Metro in-turn provided their additional numbers and cost items.

Chairman Tessitor requested a motion to approve the Phase 2B Estimated Project Cost of $1,181 million. Board Member Fasana made a motion to approve the item which was seconded by Board Member Pedroza and approved unanimously.

b. Receive and File Report on Project Update: Station Artwork

Mr. Balian introduced Lesley Elwood, Art Manager and Tanya Patsaouras, Station Coordinator to provide the report. Ms. Elwood indicated that back in 2004, the Construction Authority had issued and RFP for public art for the stations. Ms. Elwood indicated that in tandem with this effort staff issued general guidelines for the formation of Station Design and Art Review Committees (SDAR) which were established in each city. The SDAR where comprised of city staff and community members. Ms. Elwood indicated that the SDAR committees worked in conjunction with staff in selecting artists for each individual city that were responsive to artistic guidelines/atheistic particular to each city. Ms. Elwood indicated that the selected artist further refined their submission in late 2006 and were presented to City Councils for final review and approval. Ms. Elwood indicated that in early 2012 the artists met with the design-build contractor and hired as sub-consultants. Ms. Elwood that the original approved designs were updated to reflect Metro current design criteria, station configuration changes and the advancement of materials applications/fabrications. Ms. Elwood indicated that in 2013, each artist submitted their final 100% design to the design-build contractor for incorporation.
into the overall project. Ms. Elwood indicated that the contract is responsible for all engineering, art installation, material testing and inspection. Ms. Ellwood and Ms. Patsaouras provided a detailed overview of each station and displayed various elements to the Board.

Board Member Fasana inquired if staff and the artist worked with Metro during the process. Ms. Elwood and Mr. Burner indicated that Metro has been very involved in the process.

Board Member Leon inquired as to what is done if some element of the artwork should be vandalized or broken. Ms. Elwood indicated that all elements have detailed vendor and fabrication information. Ms. Ellwood also indicated that some elements are produced in multiples so as to have inventory on hand should something occur where an element needs to be replaced.

Item received and filed.

c. Approval of Sponsorship of Proposed Legislation (AB 2574 Rodriguez) Authorizing the Extension of the Gold Line to Ontario, and Declaration of No Imposition of State Mandated Cost

Mr. Balian present the item. Mr. Balian indicated that Assemblyman Freddie Rodriguez had recently introduced legislation to extend the current terminus of the Gold Line Foothill Extension to Ontario Airport instead of Montclair – AB 2574. Mr. Balian indicated that the Assemblyman has requested that the Board provide a position of support for the legislation.

Board Member Wapner indicated that the SANBAG is extremely disturbed and disappointed that they were not consulted regarding the legislation. Mr. Wapner indicated the legislation came as a total surprise to SANBAG. Board Member Wapner indicated that SANBAG is concerned about giving operating authority to Metro in San Bernardino County. Mr. Wapner indicated that item will be heard at the next SANBAG Governing Board meeting.

Board Member Fasana inquired if Assemblyman Rodriguez had contact the Authority or if the Authority had contacted Assemblyman Rodriguez. Mr. Balian indicated that the Assemblyman had reached out to the Construction Authority and that staff and provided the Assemblyman information which was incorporated into the legislation.

Board Member Fasana indicated that the operations of the alignment into San Bernardino County is an unresolved matter and that it may be wise to hold support of the legislation until the matter is discussed and sorted out. Board Member Wapner agreed with Board Member Fasana.

Board Member Pedroza indicated that proposed legislation may be useful in bringing the parties together to discuss the item.
Board Member Wapner indicated that the legislation would allow Metro to build and operate the line with San Bernardino picking up the costs.

Mr. Balian indicated that the language as currently written only allows for planning and that any further agreements with respect to construction or operations would need to be reviewed and approved by both SANBAG and Metro.

Board Member Leon indicated that it may be useful to hold the legislation at this point until discussions can occur between the parties.

Board Member Pedroza indicated that it is important to get the study underway for a possible route to Ontario and if this helps he would be supportive but also would like to work more closely with SANBAG.

Board Member Wapner indicated that SANBAG has not taken a position to oppose the legislation but is hopeful that all parties could work together to discuss it further. Board Member Wapner indicated that SANBAG remain committed to extending the project to Montclair and to the Ontario Airport.

Board Member Fasana made a motion to continue the item.

Board Member Leon seconded the motion with the addition proviso that a meeting be arranged between the Construction Authority and SANBAG to discuss the legislation.

Chairman Tessitor requested that an Ad Hoc Committee be formed to work with SANBAG and better communications between the agencies. Chairman Tessitor indicated that he would be willing to serve and requested an additional Board Member to serve with him. Board Member Leon indicated his willingness to serve. Chairman Tessitor inquired if Board Member Wapner wanted to serve on the Committee. Board Member Wapner declined but would be willing to attend as a participant.

Chairman Tessitor requested that staff work with SANBAG to convene a meeting to discuss the matter.

Chairman Tessitor requested that the item be placed for consideration at the next Board meeting and the
