Irwindale Water Line Tie-In Work at the Intersection of the East Frontage Road Irwindale Road and Avenida Padilla

WHAT

Construction crews will begin work to place new underground water lines for the new Foothill Gold Line parking structure.

WHEN

On Monday, February 23, 2015, from 7 PM until 4 AM the following morning (Tuesday, February 24), road excavation will take place at the intersection at Avenida Padilla and the eastern frontage street Irwindale Road for water main inspection in preparation for work on March 6. Note the water will be shut down for a short period of time to verify shut off valves are working properly. Once completed, a steel plate will be placed over the excavation.

On Friday, March 6, 2015, from 7 PM until 12 Noon on Saturday, March 7, a construction crew will open the street to install a new water line from the main water line to the new Irwindale parking structure. The water will be shut down during this time to complete this work.

TRAFFIC ADVISORIES

- Traffic lanes at this intersection will be one way during this work.
- Traffic will be controlled by flaggers.
- Water service will be shut off for a period of 17 hours during this work.
- All driveways and businesses will remain open and accessible during construction.

** Construction schedules are subject to change for various reasons, including, but not limited to, weather conditions and unforeseen delays.*

NOTE TO RESIDENTS/BUSINESS OWNERS

- Noise from construction equipment will be produced near the active work zone.
- Watering equipment will be used to control dust.
