7. **General Board Items**

a. **Consideration of Adoption of Resolutions of Necessity for the Acquisition by Eminent Domain of Real Property, consisting of an easement of a portion of the fee simple interest in the real property located at 99 North Second Avenue, Arcadia, California, and further identified as Los Angeles County Tax Assessor’s Parcel Numbers 5773-010-035, 036 & 037, for public purposes, namely for public transit purposes**

Chairman Tessitor indicated that consideration of Resolution 2015-R-01 for Adoption of a Resolution of Necessity for the acquisition by eminent domain of certain real property, located at 99 North Second Avenue, Arcadia, California and further identified as Los Angeles County Tax Assessor’s Parcel Numbers 5773-010-035, 036 & 037, for public purposes, namely for public transit purposes and requested Ms. Gina Danner, Special Counsel to provide the report.

Ms. Danner indicated that staff is seeking to acquire the fee simple interest in a portion of the real property located at 99 North Second Avenue, Arcadia, California and further identified as Los Angeles County Tax Assessor’s Parcel Numbers 5773-010-035, 036 & 037. Ms. Danner indicated that the interests sought to be acquired consist of a 61 square foot portion of the above-described real property, located at the northwest corner and the second easement consists of an 8,571 square foot corridor that traverses the northern portion of the subject site in an area improved as asphalt driveway. Ms. Danner indicted that no paving improvements or parking spaces are affected by this easement. Ms. Danner indicated that the areas being sought for acquisition will be used for an emergency access route as part of the Project.
Ms. Danner indicated that the Authority has attempted to negotiate with the property owner, however, the consummation of the voluntary acquisition of the Subject Property Interest has not been completed. Ms. Danner indicated that the proposed property is needed for public transit purposes for the Metro Gold Line Foothill Extension.

Chairman Tessitor inquired if there was anyone who wished to provide public comment on this item. Chairman Tessitor seeing no members of the public who wished to provide public comment, closed the public comment portion on this item.

Chairman Tessitor inquired if any of the Board Members had any questions for Ms. Danner or would like to make a comment.

Chairman Tessitor requested a motion to approve Resolution No. 2015-R-01 regarding LA County parcel numbers 5773-010-035, 036 & 037. Board Member Fasana made a motion which was seconded by Board Member Pedroza.

Chairman Tessitor requested a roll call vote be conducted by the Clerk.

The Clerk of the Board conducted a roll call vote and the item passed unanimously by a vote of five (5) to zero (0) with no person absent or any abstentions.

b. Receive and File Project Update: Parking Facilities

Mr. Burner presented the report. Mr. Burner indicated that the Parking Facilities are designed and constructed at each of the six stations along the Foothill Extension alignment. Mr. Burner indicated that there are four parking structures; one surface lot and one shared parking facility between the City of Azusa and Foothill Transit. Mr. Burner indicated the Authority has coordinated with corridor cities; Foothill Transit and Metro on bus, bicycle and pedestrian interfaces with parking facilities. Mr. Burner provided a detailed overview each parking facility. Mr. Burner indicated that the Arcadia Parking Facility is a 2-level parking structure with approximately 300 spaces. Mr. Burner indicated that the Monrovia Parking Facility is a 3-level parking structure with approximately 350 spaces. Mr. Burner indicated that the Duarte Parking Facility is a surface parking lot with approximately 125 spaces. Mr. Burner indicated that the Irwindale Parking facility is a 3-level parking structure with approximately 350 parking spaces. Mr. Burner indicated that the Azusa-Alameda Parking facility is being built by the City of Azusa and Foothill Transit which will include 200 parking spaces for Gold Line riders; 200 parking spaces for Foothill Transit and 150 parking spaces for the City of Azusa. Mr. Burner indicated that Foothill Transit is managing the construction of the Project. Mr. Burner indicated that the design of the facility is now complete and construction is underway. Mr. Burner indicated that the original schedule indicated the structure would be complete by October 2015, but the schedule has now slipped to December 2015. Mr. Burner indicated that
the Authority has concerns about the parking structure’s schedule due to the slow start; however, underground work is complete and the project is currently on track for December completion. Mr. Burner indicated that the Authority and Azusa have negotiated an agreement which, among other things, would guarantee a temporary parking lot for the Gold Line in the event that construction is not complete prior to revenue operations. Mr. Burner indicated that the Azusa-Citrus Parking facility is a 3-level parking structure with approximately 200 parking spaces. Mr. Burner indicated that Intermodal enhancements at each of the facilities would include bus shelters, benches, trash receptacles and concrete bus pads. Mr. Burner indicated that there would be bicycles lockers and racks at each facility. Mr. Burner indicated that pedestrian enhancements would include street trees, lights, sidewalks, enhanced crosswalks and landscaping. Mr. Burner indicated that the Substantial Completion deadline is June 2105. Mr. Burner indicated that the Authority is considering moving the date for Substantial Completion to July 2015 due to SCADA interface need for fire alarm and emergency telephone monitoring. Mr. Burner indicated that staff is consider the request to extend Substantial Completion until July 2015 as there are no impacts to the overall project.
