6. CEO’s Monthly Report

Mr. Balian was pleased to report on the passage of Measure M. Mr. Balian indicated that staff has been working diligently on preparing to get the project ready and that there are a lot of challenges ahead.

Mr. Balian reviewed the Critical Path Schedule for the Foothill Gold Line from Glendora to Montclair. Mr. Balian indicated that staff has completed the Project Study Report/Project Report. Mr. Balian indicated that current items include: Station Design and Art Review (SDAR) in December 2016; SCRAA Amendment for Planning in December 2016; Safety and Security Certification Plan in January 2017; Metro Funding Agreement in May 2017; SCRAA Fina Master Cooperative Agreement in May 2017; submit CPUC application in June 2017; Advance Conceptual Engineering completed in June 2017; Issue RFP for DB1 in June 2017; Award DB1 Contract in December 2017; obtain USACE permits in December 2017; finalize BNSF Agreement in April 2018; complete Montclair Funding Agreement by April 2018 and finalize SANBAG Construction Agreement in April 2018.

Mr. Balian noted that with regard to the SCRAA Amendment for Planning, staff had wanted to conclude the document by the end of the year and it appears that the target will not be met.

Board Member Fasana inquired as to why. Mr. Balian indicated that staff had proposed a similar agreement used in Phase 2A. Mr. Balian indicated that it was SCRAA’s indicated that they would like design approval. Mr. Balian indicated the Authority does not provide design approval, but agrees to work collaboratively and build to SCRAA’s specifications. Mr. Balian indicated that this has created an impasse. Mr. Balian indicated that SCRAA has not provided any reason for changing the procedures that worked so well in the past.

Board Member Fasana that SANBAG and SCRA/Metrolink has been exploring expanding their types of service (Sprinter) and that the Foothill Gold Line may impact that expansion.

Board Member Leon indicated that the City of Ontario has taken an official position that the Foothill Gold Line is the preferred mode of transportation to the airport.

Board Member Pedroza requested that staff send a letter to SANBAG and elected officials to explain the current status of the project and the need to work together to move ahead.

Mr. Balian indicated that staff will continue to work with SCRAA and key stakeholder to reach an agreement so the project can proceed.

Mr. Balian indicated that staff will be updating the Board at the next meeting with a revised schedule and budget.
Item received and filed.

7. **Consent Calendar**

   a. **Approval of Minutes of Board Meeting held September 28, 2016**
   b. **Approval of Caltrans Work Authorization to support the Foothill Gold Line Project from Glendora to Montclair through FY 2017 in an amount not to exceed $250,000** (Construction and Finance Committees)
   c. **Approval of Memorandum of Agreement with United States Army Corp of Engineers (USACE)** (Finance Committee)
   e. **Committee Assignments**

   Chair Tessitor requested a motion to approve the Consent Calendar Items. Board Member Pedroza made a motion to approved the Consent Calendar which was seconded by Board Member Leon and was passed unanimously.

8. **General Board Items**

   a. **Receive and File Parking Update**

   Mr. Balian introduced Mr. Balian, Chief Project Office, to provide the update. Mr. Balian indicated since the Phase 2A opening ridership is greater than expected. Mr. Balian indicated that with the increase in ridership there has been an increase in parking demand at the Phase 2A structures.

   Mr. Balian indicated that the number of parking spaces in Phase 2A and throughout the system can vary from large to none at all. Mr. Balian indicated that fewer than half of the Expo stations have parking and only 43% of Metro rail stations are built with parking. Mr. Balian indicated that Foothill Gold Line Phase 2A is the only rail segment in the county to provide parking at each of its stations.

   Mr. Balian indicated that from 2004 until project completion in 2016, staff worked closely with Phase 2A stakeholder cities with regarding to parking.

   Mr. Balian indicated that some cities have come back to staff to inquire if the parking structures could be increased or added to for additional parking. Mr. Balian reviewed the timeline regarding the process of parking review, design and approvals between staff and the cities.
Mr. Balian indicated that staff work with each city on approaches to parking development that would address the cities’ concerns about real property acquisition and very large structures in their communities. Mr. Balian indicated that the parties agreed that the structures would be built to accommodate the amount of parking recommended for opening day of the line.
