Metro Gold Line Foothill Extension
Pasadena to Azusa

Underground Utility Examination near the Existing Railroad Tracks and Railroad Street Crossings

Attention residents, businesses, and organizations in the vicinity of the existing railroad and railroad grade-crossing on Mountain Ave. in Monrovia, CA.

WHAT

Some lane closures will take place to allow construction crews to examine and document the existing condition of underground utilities in preparation for the construction of the 11.5-mile Metro Gold Line Foothill Extension light rail project.

WHEN

This operation is scheduled to take place Friday, June 1, 2012, weather permitting. Anticipated work hours will be from 9:00 p.m. to 5:00 a.m.

WHERE

Crews will be working on the railroad corridor, including the railroad street crossing at Mountain Ave. in Monrovia, CA.

WHAT TO EXPECT

- Some lanes may be temporarily closed at railroad street crossings.
- One lane in each direction will be maintained at all times.
- Thru-traffic will be maintained for vehicles, pedestrians, and cyclists at all times.
- Some slowdown in traffic may occur.
- Some parking restrictions will be in place; signs will be posted.
- Construction crews will be working in the street.
- Access will be maintained for local residences and businesses.
- At times, heavy equipment noises will occur.
