Construction Notice

Metro Gold Line Foothill Extension
Pasadena to Azusa

Underground Utility Examination near the Existing Railroad Tracks and Railroad Street Crossings

Attention residents, businesses, and organizations in the vicinity of the existing railroad and railroad grade-crossing on Buena Vista Street in Duarte, CA

WHAT

Some lane closures will take place to allow construction crews to investigate existing underground utilities as part of construction activities for the 11.5-mile Metro Gold Line light rail extension project. The location of existing underground utilities must be verified using an electronic device and vacuum excavation equipment. Some lane closures are required to accomplish this work.

WHEN

This operation is scheduled to take place Wednesday, May 23, 2012, weather permitting. Anticipated work hours will be from 7:00 a.m. to 5:00 p.m.

WHERE

Crews will be working on the railroad corridor, including the railroad street crossing at Buena Vista Street, Duarte, CA.

WHAT TO EXPECT

- Some lanes may be temporarily closed at railroad street crossings
- One lane in each direction will be maintained at all times
- Thru-traffic will be maintained for vehicles, pedestrians, and cyclists at all times
- Some slowdown in traffic may occur
- Signs will be posted to indicate street parking restrictions
- Access will be maintained for local residences and businesses
- At times, heavy equipment noises will occur
