Construction Notice

Metro Gold Line Foothill Extension
Pasadena to Azusa

Underground Utility Examination on Magnolia Avenue in Monrovia, CA

Attention residents, businesses, and organizations in the vicinity of Magnolia Avenue near the existing railroad tracks in Monrovia, CA.

WHAT

Construction crews will be investigating existing underground utilities as part of pre-construction activities for the 11.5-mile Metro Gold Line Foothill Extension light rail project. The location of existing underground utilities must be verified using an electronic device and vacuum excavation equipment. Closure of a shoulder lane is required to accomplish this work.

WHEN

This operation is scheduled to take place Thursday, July 5, 2012, weather permitting. Anticipated work hours will be from 7:00 a.m. to 3:00 p.m.

WHERE

Crews will be working on Magnolia Avenue at the railroad street crossing in Monrovia, CA.

WHAT TO EXPECT

- The right shoulder of the northbound lane on Magnolia Avenue, between Duarte Road and Pomona Avenue, will be temporarily closed during this operation.
- Thru-traffic will be maintained for vehicles at all times. Pedestrians and cyclists may be detoured around the construction work zone.
- Temporary "No Parking" signs will be posted to indicate street parking restrictions.
- Access for local residences and businesses will be maintained.
- At times, heavy equipment noises will occur.
