Construction Notice

Metro Gold Line Foothill Extension
Pasadena to Azusa

Underground Soil Investigation at Existing Railroad Tracks

Attention residents, businesses, and organizations in the vicinity of the existing railroad tracks near W. Optical Drive in Irwindale, CA

WHAT

Soil samples will be taken using a small truck-mounted drill rig as part of pre-construction activities for the 11.5-mile Metro Gold Line light rail extension project. Lane closures are not required to accomplish this work.

WHEN

This operation is scheduled to take place Monday, July 9, 2012 through Wednesday, July 11, 2012, weather permitting. Anticipated work hours are from 7:00 a.m. to 5:00 p.m.

WHERE

Crews will be working within the railroad right-of-way located north of W. Optical Drive and east of the Irwindale Avenue overpass in Irwindale, CA.

WHAT TO EXPECT

- All of the work will be within the right-of-way; street lane closures are not required for this work.
- Access to local residences and businesses will not be affected.
- At times, heavy equipment noises will occur.
