Construction Notice

Metro Gold Line Foothill Extension
Pasadena to Azusa

Removing Existing Railroad Tracks from Myrtle Avenue to Mountain Avenue in Monrovia, CA

Attention residents, businesses, and organizations in the vicinity of the existing railroad tracks in Monrovia, CA.

WHAT

Crews will begin removing the existing railroad tracks and ties in preparation for the construction of the 11.5-mile Metro Gold Line Foothill Extension light rail project. Rail will be cut into approximately 40-foot long pieces and placed on a truck along with railroad ties and removed from the railroad corridor. Lane closures are not required to accomplish this work.

WHEN

This operation is scheduled to begin Tuesday, July 31, 2012, and will continue intermittently until Friday, August 31, 2012, weather permitting. Anticipated work hours are from 7:00 a.m. to 5:00 p.m.

WHERE

Crews will be working within the railroad corridor from Myrtle Avenue to Mountain Avenue in Monrovia, CA.

WHAT TO EXPECT

- All of the work will be within the rail corridor; street lane closures are not required for this work.
- Access for local residences and businesses will not be affected.
- Construction equipment noise will be heard near active work zones.
- Flaggers will be used when equipment enters and exits the railroad corridor.
