Vegetation Removal within Railroad Corridor in Irwindale, CA

Attention residents, businesses, and organizations in the vicinity of the existing railroad corridor from east of Irwindale Avenue to San Gabriel River Bridge in Irwindale, CA

WHAT

Crews will be removing previously identified trees and shrubs, as well as debris, from the railroad corridor in preparation for the construction of the 11.5-mile Metro Gold Line Foothill Extension light rail project.

WHEN

This work is scheduled to take place from Tuesday, September 4, 2012 through Monday, September 10, 2012, weather permitting. Anticipated work hours are Monday through Friday, 7:00 a.m. to 5:00 p.m.

WHERE

Crews will be working within the railroad corridor from east of Irwindale Avenue to the San Gabriel River Bridge in Irwindale, CA.

WHAT TO EXPECT

- All work will be performed within the railroad corridor; street lane closures are not required for this work.
- Access for local residences and businesses will not be affected.
- Construction equipment noise will be heard near active work zones.
- Watering equipment will be used to control dust.
- Flaggers will be used to direct traffic when equipment enters and exits the railroad corridor.
