

Meet the Primes

The Metro Gold Line Foothill Extension Construction Authority and Foothill Transit Constructors (FTC)- a Kiewit Parsons Joint Venture invite representatives of small businesses to attend this **Meet the Primes** networking event on **Friday-March 09, 2012.**

Attendees will receive an update on the project, schedule, and small business opportunities with FTC on the 11.5-mile Foothill Extension light rail project from Pasadena to Azusa. Key staff from both the Construction Authority and FTC will be available to answer questions.

Small business subcontracting opportunities are available with FTC for this project!

Attend the Meet the Primes event to learn more about these opportunities and to meet the key contacts at FTC within the following disciplines: Civil, Structural, Architectural, Systems and Utilities. *(see second page for more details on opportunities)*

Interested SBE's should complete a Subcontract Interest Form. Forms will be available at the event.

Friday - March 09, 2012 @ 8:30 a.m.

Small Business Opportunities

The Construction Authority encourages small business participation on our project

Phase 2A Adopted Goals:

Small Business Aspirational Goal - 16%

Overall Annual Disadvantaged Business Enterprise Goal –
5.71% (Federal Fiscal Year 2010-12)

The Small Business Aspirational Goal is for the Phase 2A Program, including:

D-B Package 1 - Iconic Freeway Structure
D-B Package 2 – Phase 2A Alignment
D-B Package 3 – Intermodal Parking Facilities

The above goals represent the Authority's continuing effort to promote small business, including DVBE, WBE, and DBE participation in our projects.
