

Want the latest on the proposed Gold Line stations from Azusa to Montclair?

Come to the upcoming Station Planning Workshops and share your thoughts!

The Metro Gold Line Foothill Extension Construction Authority (Construction Authority) and cities from Glendora to Montclair invite you participate in a series of workshops on the proposed Gold Line stations in Glendora, San Dimas, La Verne, Pomona, Claremont and Montclair. These stations are included as part of the proposed 12.6-mile extension of the Metro Gold Line Foothill Extension from Azusa to Montclair currently under environmental review. The workshops are an opportunity to learn the latest station plans and provide feedback on ways to make the plans even better.

Take a Tour of the Metro Gold Line:

In the coming months, the Construction Authority will host tours of the Metro Gold Line light rail line between Pasadena and Los Angeles. Tours provide an opportunity to experience how light rail interacts within communities, the design of stations and street crossings and the various train sounds. Contact Sylvia Beltran at sbeltran@foothillextension.org or (626) 305-7012 if interested in a tour.
